

# Custom cases and foam inserts to transport and store UAVs and drones

**PREFERRED STOCKING DEALER**  
Pelican, SKB

We can apply our expertise and experience as one of the USA's top full technical dealers for Pelican-Hardigg cases – and an authorized technical dealer of SKB Cases – to customize an appropriate hard case for any drone or UAV of any size.

These lightweight and portable solutions are capable of sustaining rough handling, enduring extreme environments without compromise, and will resist water and dust penetration into the interior. We can even add features like built-in external charging points without compromising case integrity.

We also custom-design foam cushioning systems to protect and organize controllers and protect fragile optics, payloads, gimbals, switches and antennae, cushion battery packs, and keep spare parts – and the drone itself – safe. Advanced water-jet cutting technology delivers a snug fit that minimizes in-case movement and offers a premium, elegant look.

We maintain a large in-house finished stock and raw material inventory for rapid fabrication and guaranteed shipping dates.

## Key capabilities

- We do custom hard cases and foam for high-value, fragile and sensitive military, aerospace, industrial and technical equipment.
- We are experts at government paperwork and processing—and certified—so you don't need to worry about bureaucracy and you can focus on your project.
- Our Solidworks-knowledgeable packaging engineers can partner with your engineering teams and program managers.
- Our quality, timeliness and speed are industry-leading, so you can count on us.
- We have a broad range of capabilities supported by precise equipment, technology and people all under one roof so you can bring any project to us.

## Pertinent codes

- > UEI: FRVMBYSJHG35, M8FEM5N8KB17
- > NAICS: 321920, 322211, 326150, 326199, 339999, 423840, 488991, 321999, 322130
- > CAGE: 0GK01, 3FWK7
- > FSC: 8115, 8135, 8145, 9330, 9999

## Past performance

- Coast Guard
- Special Operations Command
- Navy and Marines
- Air Force
- Army
- Space Command
- Department of Defense
- Aviation
- Aerospace and Space
